THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action<sup>1</sup>, and in particular Article 2(1) thereof,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>2</sup>, and in particular Article 110 thereof,

Whereas:

- (1) By its Decision C(2015)7693 of 13.11.2015 the Commission adopted the Annual Action Programme 2015 in favour of Iraq for primary and secondary education.
- (2) The Action entitled “Capacity Building Programme for Primary and Secondary Education in Iraq” (Annex 1) aimed to improve the quality and equality of the education system and strengthen the institutional capacities in education administration at central and local level, promoting decentralization on education management.
- (3) This Action was composed of two major components: 1) Improve the quality and equality of the education system; and 2) Strengthen the institutional capacities in education administration at central and local level and promote decentralization on education management.
- (4) It is now necessary to change the implementation modality of component 2 from direct management to indirect management with two United Nations agencies, UNICEF and UNESCO. Thus, this Action will be implemented through a mixing formula of direct management for component 1 and indirect management for component 2.
- (5) Therefore Commission Implementing Decision C(2015)7693 should be modified accordingly.
